

# BEST MORTGAGE COMPANIES TO WORK FOR

REGISTRATION DEADLINE: OCTOBER 29, 2021

## What is Best Mortgage Companies to Work for?

This program is a survey competition to determine which participants are the best employers. The process is managed by Best Companies Group (BCG) and winners are published by National Mortgage News

## What is Best Companies Group (BCG)?

Best Companies Group is an independent research firm specializing in identifying and recognizing great places to work. BCG manages programs worldwide, including the US, Canada, and the UK.

## Why Participate?

By participating, you can find out if you are one of Outside's best employers! It can also result in significant organizational benefits for entrants:

- **Heightened Company Pride:** If your company appears on the list, it could improve employee morale and retention.
- **Public Relations and Marketing Advantage:** Organizations can use the distinction to enhance recruiting efforts, increase the value of general marketing and improve reputations.
- **The BCG Insights Report Package:** While participation is FREE, participants can pay as little as \$805 to receive their Insights Report Package detailing the company's employee responses. Also included are employee and employer benchmarks.

## Who Can Participate?

To be eligible for consideration, organizations must:

- Be a publicly held or privately held business
- Be a for-profit or not-for-profit business or government entity
- Have a facility in the United States
- Have a minimum of 15 employees working in the United States
- Must be in business a minimum of one year
- Must be a stand-alone mortgage lender, mortgage broker, or mortgage servicer, or mortgage unit of a diversified financial services firm (employees' responsibilities must be concentrated on mortgage operation – i.e., not general staff in a retail bank branch)
- Only one entry per parent company. If an origination and a servicer apply and are controlled by the same company, you must enter as one organization.
- Investment banks, securitization firms, government sponsored entities, mortgage technology companies and mortgage insurers are not eligible (although distinct origination or servicing arms of such companies may apply under the same conditions as above)

## Assessment Description

The process includes two surveys to gather detailed data about each participating company.

BCG conducts the surveys, analyzes the data and determines the winners and rankings.

- **Part I – Employer Questionnaire (EQ):** The employer (main company contact) will complete this survey, detailing company policies, practices, benefits and demographics. The employer will be asked to complete the EQ online.
- **Part II – Employee Engagement & Satisfaction Survey (EES):** The employee survey is an in-depth set of statements (77) that employees will be asked to respond to on a 1-5 Likert scale of "Strongly Disagree" to "Strongly Agree". This section of the survey will also include two (2) open-ended questions, and seven (7) demographic questions. If e-mail and internet technology is not available for use by company employees, BCG also has paper surveys available.

## Announcing & Recognizing the Winners!

The contact at each company is notified of their status prior to the release of the winner rankings in March 2022.

Non-winning organizations are not publicly revealed.
